

• Welcome to ILLS 2027 "The Americas Meeting"! • "Expanding worldwide the benefits of MILR, targeted therapies and imaging modalities" • *On behalf of the Organizing Committee, we are honored and excited to invite you to the 6th World Congress of the International Laparoscopic Liver Society (ILLS) in Buenos Aires Argentina from the 15th to the 17th of September 2027. ILLS main purpose is to support the development, implementation and safe dissemination of Minimally Invasive Liver Resection across the globe* • The Americas Meeting is the result of the collaboration of leaders from multiple countries from Northern, Central and South Americas, recognizing the need to further expand the benefits of MIS liver resection for patients worldwide • The Program and Organizing Committees are committed to championing a superb meeting focused on: innovation, implementation and education in the areas of robotics, liver transplantation, oncology and augmented reality, as well as imaging and ablation techniques • The meeting will highlight the successful collaboration of leading societies, such as AHPBA, IHPBA E-AHPBA, A-PHPBA, STS. • These Collaborations have proven to heighten the advancement in MIS approaches to liver disease • The meeting in Buenos Aires will further serve as an extraordinary opportunity to display the camaraderie among all attendees through its social program and local attractions • Please mark your calendar for the 6th ILLS World Meeting in Buenos Aires, Argentina •
